Luxury Art

Frank Meisler Gallery features superb limited edition art, custom made sculptures, high-end Judaica, and monumental outdoor statues.

Frank Meisler

Ambience and Charm

Nestled in the winding alleys of The Old City of Jaffa's artists quarter, our gallery is one of the most visited focal points in the area.

Our Vision

The Frank Meisler brand evokes the radiance of powerful and brilliant detailed quality art.

Cultural Heritage

Our Judaica re-interprets Jewish artifacts through research of their origins as symbols of Jewish tradition.

Frank Meisler

Kynetic Surprises

The multi part sculptures are kinetic, configured to allow for movement and surprise. The parts move, doors open, hips rotate, tails turn and and details swivel.

Playful and Humorous

We inhabit the world with the animal kingdom. Like us our animal sculptures are ferocious, funny or pretentious.

Business and Pleasure

The professions and hobbies we practice shape our lives and alter us. Our sculptures depict women and men, working, playing sports, and sometimes combining the two.

Frank Meisler

Trophies and Awards

We design special commissions made to order as presentation gifts to companies or institutions. Sculptures have been presented as gifts to celebrities, dignitaries and heads of states around the world.

One of a Kind

We specialize in custom designed portrait sculptures of actual people, depicting not only their likeness but their work activities, hobbies, general interests and essence, all with a degree of humor.

— Frank Meisler —

Craftsmanship

From rough metal casts to shiny detailed art, all our sculptures undergo a comprehensive creative process providing the utmost attention to detail and quality.
